Get baby a
new
go-cart,
then he
won't cry

Dear Amy:-

My life was a burden to me a long time. Baby John just cried and cried. I didn't know what was the matter. He was also looking pale and his food didn't agree with him. I didn't know it, but he needed air and sunshine. So I went and bought him a new go-cart. Now he smiles and is fat and rosy. You just must come and see him.

As always,

Lou.
